

In compliance to CVC's directions, as a prelude to vigilance Awareness Week 2024, a three month campaign (16th August to 15th November 2024) on preventive vigilance with focus on various capacity building programmes, a session on 'Group Discussion on proposed/adopted Systemic Improvements' was conducted on 06.09.2024. All Divisional Heads of STC actively participated in the discussion wherein detailed discussion was held on various systemic improvements which have already been adopted as well as new systemic improvement which needs to be adopted.

The discussion was held during the session on various relevant topics such as CDA Rules, Rental Policy, Procurement Policy, PMS, Insurance, Trade Transactions with Associates on Govt./Private Account, Empanelment of Advocates, etc.

The discussion was very fruitful and the systemic improvement suggested during the discussion certainly would help the Corporation in improving day-to-day affairs and public interest.
