S.No.	Query	Clarification
1.	In the event of selecting more than one category, should the applicant submit non-refundable fee of Rs. 10,000/- for each category?	For each product category that the applicant wishes to express interest for empanelment, EOI along with the processing fee of Rs. 10,000/- needs to be submitted separately. E.g. If the applicant wants to express interest for export of items under a) Pharma/ medical consumables; and b) Chemicals, EOI for both categories, complete with set of documents relevant to the product category, and two separate demand drafts for Rs. 10,000/- each for both the categories need to be submitted in whole.
2.	The audited annual report for 2012-13 is not yet available. Which annual reports should be submitted?	In case, the audited annual report for 2012-13 is not available, applicant may submit the audited annual report for the years 2009-10, 2010-11 and 2011-12. Applicant should also submit the unaudited annual report for 2012-13 on a provisional basis, and must submit the audited report once it is available. Applicants may please note that in a similar manner, they may quote the other provisional data for 2012-13 derived from unaudited annual report for STC's consideration.
3.	Will the empanelled manufacturers be booking the proceeds for export benefits?	Since the manufactured products are designated for export purposes, the export benefits will be passed on to the manufacturers.
4.	Being a MSME/NSIC registered Unit, SSI etc., would we be exempted from paying the processing charges of Rs. 10,000/-?	The processing fee cannot be exempted for any applicant.
5.	My organization is not fulfilling all of the criteria for prequalification for empanelment. Should we apply?	The pre-qualification requirements for the applicants are already stipulated in the EOI document
