

## **Awareness Session on 'Investigation & Report'**

In compliance to CVC's directions for Vigilance Awareness Week (VAW) 2025 and three month campaign on preventive vigilance measures, an awareness session on one of the focus area of CVC for VAW 2025 i.e. 'Investigation & Report' was organised in STC on 15.10.2025. The session was conducted by guest speaker Sh. VSN Rao, General Manager (Vigilance), MMTC Limited wherein all officials of Vigilance Division and 2-3 officials from each Division(s) were present. Besides, the session was also attended by all Divisional Heads of STC and more than 30 officials were present in the session. The guest speaker made a detailed presentation on the key aspects of investigation & report during the session. The investigation is a systemic and objective process of gathering evidence and facts to uncover the truth about a complex or hidden matter. The report is the final document that presents these finding to a specific audience to inform decisions and actions. Various points for writing an effective report were discussed in detail.
