

Awareness Session on 'Conducting CTE Type Intensive Examinations'

In compliance to CVC's directions for Vigilance Awareness Week (VAW) 2025 and three month campaign on preventive vigilance measures, an awareness session on one of the focus area of CVC for VAW 2025 i.e. 'Conducting CTE Type Intensive Examinations' was organised in STC on 30.10.2025. The session was conducted by guest speaker Sh. VSN Rao, General Manager (Vigilance), MMTC Limited wherein all officials of Vigilance Division and 1-2 officials from each Division(s) were present. Besides, the session was also attended by all Divisional Heads of STC and more than 20 officials were present in the session.

The guest speaker made a detailed presentation on conducting CTE type intensive examination by CVC, Procurement guidelines issued by Govt. Departments and various compliance reports required to be submitted to CVC by all public authorities. Major provisions of applicable procurement guidelines relating to Goods, Works, Consultancy and Non-consultancy Services were also discussed during the session. Various case studies on the process involved in procurement and how the lapses are happened during the procurement were also presented. A case study with certain assumptions on how should a tender relating to consultancy services be evaluated was discussed in detail during the session.
